EVENT RESERVATIONS

The Cornell Club requires reservations for all events with fees. For events that require reservations, Members may cancel until two days before the day of the event without incurring a cancellation fee. Members who cancel after the two-day deadline are subject to a cancellation fee, and Members who do not show for an event will be charged. This cancellation policy does not apply to gratis events, such as lectures. All ticketed events (e.g., US Open, theatre, and museum tours) are final sale at the time the reservation is made. Cancellations or no-shows for interclub events held at other clubs are subject to full charge after the two-day deadline. Any exceptions to this cancellation policy will be noted in the description of the event in the newsletter.

Thank You!

It is with deep gratitude that the Board of Directors and management announce the retirement of Rick Banks '72 from The Club's Board of Directors. Rick retired in September 2016 from his position as the Associate Vice President, Alumni Affairs and Development Administration, for Cornell University, and we were fortunate to have Rick continue to serve on the Board thorough the end of The Club's fiscal year of June 30th. Long before we officially opened our doors in 1989, Rick played a critical role in the development and success of The Cornell Club. He officially joined The Board in 1996 and has remained a steadfast representative for The Club.

Rick was honored with a dinner hosted by his fellow board members and club management in March where he shared stories of The Club's beginnings and how we've upheld our mission of providing a home for Cornellians in New York and around the world.

Rick, on behalf of everyone at The Cornell Club, we wish you all the best, and look forward to your future visits to The Club.

CALENDAR EVENTS

Dear Members,

Summer is here, and while The Club may seem a bit quieter, behind the scenes, our team is hard at work preparing for what is always a busy fall season! We'll share in the enthusiasm with the Cornell community on Friday, August 25th as we celebrate the inauguration of Martha E. Pollack as the fourteenth president of Cornell University. We will livestream the installation ceremony from 2:00 to 4:00pm and light refreshments will be served. On Wednesday, September 13th, Cornell Tech officially opens its doors! We'll be livestreaming all the activities from Roosevelt Island and I encourage you to join us that day at The Club.

I would like to thank everyone that took the time to congratulate our staff members who celebrated their 10, 15, 20, and 25 year anniversaries with The Club this year. We hosted our annual luncheon in May, and your emails, phone calls, and personal greetings meant a great deal to the celebrants. I often hear that the longevity of our staff members helps to create a special warmth at The Club, where to coin the familiar phrase "everyone knows your name". The average length of service at The Club is 15 years—an impressive number! To our newer Members, I speak for everyone when I say that we are eager to meet you and value your input. It is Member feedback that allows us to do better, such as your suggestions to add safes and additional phone chargers in our overnight rooms.

A warm welcome is in order for the Class of '17! Whether you read the newsletter, e-newsletter, or connect with us through social media, you will discover that your membership has so much to offer and we encourage you to take full advantage of The Club's services.

On a personal note, I would like to extend my thanks and admiration to Rick Banks, who has recently retired from Cornell University and The Club's Board of Directors. Your years of service have meant so much to all of us and I wish you a very happy retirement!

As you peruse the newsletter, I hope you'll find our programs engaging and if you are heading to NYC this fall consider joining us at The Club to dine, stay, workout, or host colleagues for a meeting or drinks at the bar. Again, we're here to help!

Fondly,
Craig Lasnier

P.D. JEPHSON, PRINCESS DIANA'S PRIVATE SECRETARY

In 1981 Lady Diana Spencer was destined to ascend the British throne, innocent young wife to the future King Charles III. With her beauty, modesty, and charitable good works, she seemed the perfect addition to bring the Royal Family into the

twenty-first century. Instead, she brought a revolution.

Twenty years later, the comforting illusion of royalty as we knew it is gone forever. Diana is dead, the Windsors are different and Prince Charles faces the dilemma of being a very different sort of King than people expected.

This will be a very rare event with P.D. Jephson, Diana's closest aide, private secretary and adviser during her years of her greatest public fame and deepest personal crisis. P.D. Jephson will provide a firsthand experience behind the scenes of one of the most famous icons, Princess Diana, who remains a contradictory enigma. P.D. Jephson's upcoming book is called *Shadows of a Princess*.

6:00pm, cash bar reception; 6:30pm lecture, gratis. Advance reservations required by Friday, July 14th.
