44TH STREET FEATURES

THE CORNELL CLUB NEW YORK

I hope you had a wonderful summer. Here at The Club, we remained busy with club programs, Friday Night BBQ, hosting Members in town for the US Open, and warmly welcoming our newest Members from the Class of '24! As we dive into what is always a very busy season, you'll return to a new look in the Business Center and the fifth floor meeting and event rooms. We are in the beginning stages of meeting with our design team to create a fresh new look in the Big Red Tap & Grill, and we're excited to share updates with you as plans are formalized.

I speak for all of us here at The Club when I say we look forward to providing you and your guests with exceptional service and stellar amenities. Thank you for choosing to become a part of our Cornell Club community. We strive to offer you a level of service one would expect to find at a Five Star Platinum Club, with a unique challenge in the Club industry: maintaining a high level of service and amenities without passing the expense onto Members through significant dues increases.

This summer, The Club completed the annual external audit, performed by Condon O'Meara, McGinty & Donnelly LLP. Highlights of particular note presented to The Club's Board of Directors include:

- The Audit findings were that of no material weaknesses or deficiencies and strong management control over expenses.
- Membership Dues are ranked the lowest in comparison to other City Clubs.
- The Club's room occupancy is strong in comparison to peer clubs.
- While maintaining the lowest dues and strict control of expenses, we are still able to provide amenities including complimentary breakfast for our in-house guests and a complimentary Health & Fitness Center membership.
- The Club does not impose credit card fees for dues and house charges to Members.

As The Club kicks off our 35th Anniversary at our 44th Street location, we will be celebrating our inaugural "1989" Members, and marking the new traditions that will be forged with our newest Members. Like we promised when we first opened our doors, we remain a haven of hospitality in the greatest city in the world!

Summer Weight Gain?

Experts say summer can be a time when people gain weight due to food choices and a plethora of social gatherings. Pool parties and backyard gatherings which come with barbecued food, ice cream, chips and other snacks are the primum culprits. Furthermore, the abundance of alcohol present at these gatherings can pack on the calories. Even if you don't drink, watch out for caloric 'mocktails' such as virgin coladas, these sugary tropical concoctions are also loaded with high calories.

Instead of overindulging in high calorie drinks, consider consuming unsweetened teas and all-natural flavored water, or even plain water with cucumbers.

If you need to get back on track again this fall before the next set of holiday gastronomic endeavors. We can help with Personal Trainers, Massage Therapy, and Nutritional Counseling. Reach out to the Fitness Center at N.Bey@cornellclubnyc.com or 212.692.1360.

*We heard you
loud and clear -
we've extended the
hours in the Health
& Fitness Center!*

Monday-Friday:

Weekends:

Remember...a membership

Farewell Chef Rizzo!

After a storied thirty years of treating us to exceptional dining, memorable private events, and much admired club program dinners, Michael Rizzo has retired as the Executive Chef. We will certainly miss him but are thrilled for him to enjoy his retirement! Chef Rizzo joined The Club as Executive Chef in 1993, and before that worked in some of NYC's famed hotels including the Waldorf Astoria and the Helmsley Palace Hotel. Chef Rizzo holds a degree from the Culinary Institute of America (CIA) where he has served as a Fellow since 2011.

Thank you, Chef Rizzo and all the best!

The Cornell Club is pleased to announce the recent appointment of Joe Boko as Executive Chef of The Cornell Club-New York.

Joe joined The Club's culinary team in 2008 as a line cook. Recognizing his dedication and talent, he was promoted to Sous Chef within one year. Under the guidance of Executive Chef Michael Rizzo, he was entrusted with menu development for The Club's a la carte dining rooms, banquet department, and the program department. With a talented hardworking team of cooks, and his background in fine dining, he set out to change the perception of what Club food could be with an emphasis on seasonality and sustainability. Joe was promoted to Executive Sous Chef in 2021, and he continued to showcase his creativity with the launch of the successful Pop-Up Dinner series.

Upon Chef Michael Rizzo's recent retirement, Joe has been promoted to Executive Chef. Joe worked alongside Chef Rizzo for 16 years, and shares his belief that each day at The Club should offer an unforgettable dining experience with unsurpassed quality, creativity, and attention to detail. Join us in congratulating Joe as he takes the helm as Executive Chef of The Cornell Club-New York!

Congratulations Kelvin, Executive Sous Chef

Effortlessly stepping into Joe Boko's former position of Executive Sous Chef is Kelvin Gomez. Kelvin has been an integral part of our culinary team for seven years. Kelvin's creativity and passion for cooking

coupled with his hard work ethic made him the natural choice to move up to Executive Sous Chef.

We invite you to visit our dining page to view Joe and Kelvin's bios along with exceptional nights of dining they have planned for fall. You can also view past menus from their popular Pop-Up dinner series.
