## THE CORNELL CLUB

NEW YORK

### *A Message from the General Manager*

Summer is here and I hope that for many of you it means relaxation, well deserved vacations, and of course – a visit to The Cornell Club-New York! As you read through this issue of The Club Quarterly, you'll find your membership has so much to offer, both here at The Club, and at our impressive network of reciprocal clubs.

We pride ourselves on Member value, and an array of complimentary amenities, while still maintaining the lowest dues structure and general fee in comparison to our peer clubs. As we start a new year (we run on a fiscal year of July 1-June 30) we are excited to introduce enhancements across all areas of The Club. Our management team is readily available to assist with any questions and welcome your feedback. The benefits of Membership are many, and I wanted to highlight some of our complimentary services and amenities:

- + A Health & Fitness Center membership is included with your club membership
- + Refresh with coffee, tea, and water station seven days a week in the lobby
- + Enjoy complimentary hors d'oeuvres at happy hour
- + Store luggage and personal items at the front desk
- + Inhouse guests start their day with a gratis breakfast buffet in the Cayuga Dining Room
- + Comfort and style as you relax in Frette robes in all our guest rooms
- + Refresh with bottled water at check-in and fresh fruit selections in the Health & Fitness Center
- + There's a new look in the Business Center where you have 24 access to desktop computers and printers
- + Cheers! Club speaker events offer gratis beer, wine, and soda cocktail receptions

Included with this mailing is the annual member appreciation certificate. It is our pleasure to share the certificate with you each year, and I hope you'll take advantage and use the certificate in the year ahead. Wishing you all the best for a relaxing summer.

Craig Lasnier  
General Manager

## HISTORIC PUBS AND TAVERNS OF UNION SQUARE TOUR

What better way to celebrate an evening than learning about the history of Gramercy and Union Square and its taverns, and then stop for some liquid refreshments along the way. On this tour you'll see some of the area's most classic pubs and speakeasies -- all with historic associations. Stops include a Tammany haunt once frequented by presidential contenders, a Victorian bar that served as a camouflaged florist during Prohibition, and an establishment named secretly in honor of a courtesan to a British monarch. Along the way, we will also see Manhattan's only private park, the homes of Thomas Edison and actor John Barrymore, and a stop on the Underground Railroad.

## BIG RED COCKTAIL MAKING CLASS WITH NIGHT INN

Enjoy some cocktails, the Big Red Way! Start your evening with a delicious (Big) Red Americano spritz, before stirring your way through its cousin, the Negroni. After learning all about the art of the aperitif cocktail, move on to a muddling masterclass, with a Strawberry Margarita, garnished with fresh summer herbs that will remind you of the Cornell Botanical Gardens!

The Cornell Club-New York is partnering with Night Inn for an in-person summer sipping cocktail creation experience led by a Night Inn expert mixologist. Whether you're a mixologist in your free time, or haven't ventured past a vodka-soda, attendees will enjoy light snacks and a step-by-step experience on your way to make the perfect summer drinks! During this 90-minute session, attendees will learn valuable bartending skills as they make three big red cocktails!

## NEW YORK STATE OF WINE TASTING

You don't always have to cross the ocean or the country to enjoy top-tier wines. Did you know that the Empire State is also a winemaking powerhouse? The third-largest producer of wine in the United States, New York is home to 471 wineries and 35,000 acres of vineyards. With its rich winemaking history and innovative spirit, New York has a demonstrated track record of producing quality wines that win over more critics and consumers with each vintage.

Join us for a guided tasting of five wines from a few of New York's most acclaimed producers. Some of the featured wineries are led by graduates of Cornell University's prestigious Viticulture & Enology program at The College of Agriculture and Life Sciences.

The tasting will be led by wine writer and presenter Wanda Mann, creator of Wine With Wanda. Wanda was recently announced as the host of the awards ceremony for the 2024 New York Wine Classic. She is the East Coast Editor for The SOMM Journal and her writing has also been featured in Food & Wine,

NAPA Magazine, and other publications.
